

How Ready Are You For A Disaster?

Carson City Health and Human Services (CCHHS) and the Carson City Fire Department Office of Emergency Management are teaming up to find out how prepared our community is for a disaster.

We need your help!

- CCHHS staff and volunteers may come to your home and ask how ready your household is for an emergency or disaster.
- All responses are **confidential**. We **will not** ask for your name or any identification during the survey.
- Teams will be clearly identified with lanyards, badges, vests, and bags that say **CASPER** (Community Assessment for Public Health Emergency Response).
- The results will help us improve the City's emergency preparedness and response plans.

Thank you in advance for your help!

We will be surveying neighborhoods between:
SEPTEMBER 17th and SEPTEMBER 21st
