RE: 5<sup>th</sup> Annual Police Motor Officer Extreme Training Challenge

The Carson City Sheriff's Office is seeking sponsors for the "**5<sup>th</sup> Annual Police Motor Officer Extreme Training Challenge**", to be held on June 20<sup>th</sup> and 21<sup>st</sup> at Mills Park in Carson City. The event will help raise money for the Carson City Boys and Girls Club, moving very close to meeting their building project goals. Last years event helped us raise over \$1,500 for that very project and this year we would like to double that donation.

The Police Motor Officer Training Challenge event promotes and demonstrates safe motorcycle riding skills and gives the motorcycle officers imperative ongoing training. The training is critical and necessary for the officers to provide effective enforcement atop two wheels. In addition, the event will host a skills based competition in which law enforcement motorcycle officers from all over the west coast demonstrate their skills on a closed course. The officers will be maneuvering their respective department issued motorcycles through several cone patterns in a very competitive and exciting event.

I hope you will join with the Sheriff's Office by becoming a "Proud Sponsor" of the Extreme Training Challenge. For more information regarding the event or how to become a sponsor, please contact Michelle Cullen at 342-8089 or Kimberly Adams at 690-2164. For tax ID number reference, you may email Deputy Jarrod Adams at [JAdams@ci.carson-city.nv.us](mailto:JAdams@ci.carson-city.nv.us). Thank you for all your support.
