D. AGENDA MANAGEMENT NOTICE (5:11:08) – None.

E. DISCLOSURES (5:11:18) – None.

F. PUBLIC HEARING ITEMS

F-1 INFORMATION AND UPDATE ON THE STATUS OF AN AGREEMENT WITH THE UNIVERSITY OF NEVADA – RENO (UNR) TO PROVIDE SERVICES ON THE DEVELOPMENT OF A PAVEMENT MANAGEMENT PROGRAM.

(5:11:21) – Mr. Doenges presented the agenda materials, including a PowerPoint presentation, incorporated into the record. Commissioner Kimbrough requested and received additional clarification on the process to obtain consistent results. Commissioner Bonkowski was informed that an important element of the agreement with UNR was the consistency of data received. Mr. Pittenger also noted that the current agreement was for two years. Chairperson McKenna suggested comparing “the value of our roads and sidewalks” to other assets owned by the City, such as buildings, in order to provide paving “the attention that it needs”.

There were no public comments.

F-2 FOR POSSIBLE ACTION: TO AUTHORIZE THE TRANSPORTATION MANAGER TO EXECUTE A COOPERATIVE AGREEMENT BETWEEN THE CARSON CITY RTC AND THE NEVADA DEPARTMENT OF TRANSPORTATION (NDOT) FOR THE FLASHING YELLOW ARROWS PROJECT AND TO AUTHORIZE THE TRANSPORTATION MANAGER TO SIGN FUTURE AMENDMENTS TO THIS AGREEMENT REGARDING TIME EXTENSIONS OR A CHANGE IN THE VALUE OF FUNDING OF UP TO 20 PERCENT OF THE INITIAL FUNDING AMOUNT.

(5:31:45) – Chairperson McKenna introduced the item and Mr. Pittenger presented the agenda materials which are incorporated into the record. He also noted that the project would incorporate ADA improvements at the intersections and the acquisition of updated traffic signal control software.

(5:35:10) – Chairperson McKenna received confirmation that these devices are not similar to the ones currently present on Stewart Street, but are “signalized intersections”.

(5:36:20) – Commissioner Bonkowski inquired about a line item regarding additional City funds of \$63,295 to be used. Mr. Pittenger noted that those funds were “left over from a previous cost estimate” and did not believe they would be necessary since the project would cost less. Discussion ensued regarding the impact on signal light systems.

(5:40:56) – Commissioner McQueary asked about the measures in place should the project go over the estimated cost. Mr. Pittenger explained that they could work with NDOT to change the scope of the project or seek additional funding. He also explained that safety history was one of the criteria used to select the particular intersections.

(5:42:48) – Chairperson McKenna was informed that the planned software would be used by other counties as well.

There were no public comments.

(5:10:48) – MOTION: I move to authorize the Transportation Manager to execute a cooperative agreement between the Carson City RTC and the Nevada Department of Transportation (NDOT) for the Flashing Yellow Arrows Project and to authorize the Transportation Manager to sign future amendments to this agreement regarding time extensions or a change in the value of funding of up to 20 percent of the initial funding amount.

G-1: STREET OPERATIONS REPORT – OCTOBER 2014./G-2: PROJECT STATUS REPORT. / G-3: FUTURE AGENDA ITEMS.

(5:44:18) – Mr. Schulz noted that preparations were underway for the upcoming storm, adding that they anticipated losing many tree limbs due to the high winds. He also noted that the crews would be working 12-hour day and night shifts in preparation for either snow (snow ploughs) or rain (storm drain cleanup). He anticipated a maximum of 40 people working during the storm. In response to a question by Commissioner Bonkowski, Mr. Schulz explained that in the case of heavy rain followed by heavy snow, they would clean as many leaves and branches as possible in advance, and would try and open as many closed storm drains as possible. He also advised calling 911 in case of an emergency.

(5:48:09) – Mr. Pittenger presented the Street Operations Activity Report incorporated into the record.

(5:51:40) – Mr. Pittenger also noted that the CDBG sidewalk project grant application would be agendized for the January meeting, and the five cent fuel tax presentation, presented earlier to the RTC, will be heard by the Board of Supervisors. Commissioner Bonkowski suggested agendizing reappointment of new Commission members and the election of a new Chair and Vice Chair.

(5:54:01) – Commissioner McKenna noted that three Commissioners are citizen-members and thanked them for volunteering.

H. COMMISSION COMMENTS – None.

I. PUBLIC COMMENT – None.
