Care Like a Pro!

CARSON CITY
Shade Tree Council

CERTIFIED ARBORIST ISA

ATTEND CARSON CITY'S TREE CARE SEMINAR
NOVEMBER 12, 2015
HOSTED BY THE CARSON CITY SHADE TREE COUNCIL

Arborists and other tree care professionals need to stay current on their certifications. This makes it imperative for them to regularly refresh and update their skills.

To that end, every November the Carson City Shade Tree Council hosts a Tree Care Seminar where speakers and educators from the trade inform and teach on a vast variety of tree related topics. Attendees of these seminars qualify for education credits.

Despite their professional level presentations, these seminars are suited for anyone who likes to gain some fundamental and advanced knowledge about trees and shrubs. Be it for managing the landscaping of commercial and residential properties, or improving the own home with beneficial plantings, you will acquire the tools to make wise decisions about what to plant where and when, and how to maximize the benefits by giving proper care.

Therefore the Carson City Shade Tree Council has opened these seminars to the general public and encourages everybody to learn how to CARE LIKE A PRO.

LOCATION, TIMES & TOPICS

Sierra Room at the Carson City Community Center, 851 East Williams Street, Carson City.

Doors open at 7:30am for registration and continental breakfast (included). Seminars begin at 8:15am. Lunch break at 11:00am, seminars continue from 12:30pm to 2:30pm.
