CCHHS Reports One New Cases of COVID-19 in the Quad-County Region

(Carson City, NV)- Carson City Health and Human Services (CCHHS) is reporting one new positive case of COVID-19 in the Quad County region: Carson City, Douglas, Lyon, and Storey counties. This brings the total number of cases in the Quad-County region to nine.

The new case is a female Douglas County resident in her 70’s with recent travel history. She is self-isolating in her home. Carson City Health and Human Services is working to identify close risk contacts to prevent further spread of the disease. Due to medical privacy requirements and to protect their identity, no further information about the case will be released.

The case count for each county is:
- Carson City: 4
- Douglas County: 4
- Lyon County: 1
- Storey County: 0

According to the Nevada Health Response Dashboard, statewide number show:
- 535 Cases, 10 Deaths
- 6,696 tests have been conducted
- 6,161 tests have come back negative

Carson City Health and Human Services’ COVID-19 Hotline is staffed 7 days a week. Monday thru Friday it is staff 8am-5pm; Saturday and Sunday 8am-4:30pm. Spanish speakers are available. The phone number is (775) 283-4789. Call the hotline for questions about COVID-19. If you are experiencing symptoms, contact your healthcare provider. If they are unable to assist you, contact the call center for screening. At this time, only the individuals who meet the criteria determined by the Centers for Disease Control and Prevention (CDC) will be tested.

MEDIA: We will not be conducting a press conference due to the Governor’s Nevada Health Response COVID-19 Risk Mitigation Initiative. The situation is continuously evolving, updates can be anticipated at 0900 daily, unless immediate updates are necessary.
